DETAILED ACTION

Allowable Subject Matter

1. Claims 1-8 and 10-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest a dual chamber apparatus comprising two chambers coupled together at an interface. The interface comprising: an interface plate, an insulating plate and a contact member as recited. Specifically, the prior art of record fails to teach such an arrangement comprising a contact member configured to separate the first chamber from the second chamber by a predetermined distance, the contact member extending from a flange portion of the interface plate, along side a frontal portion of the insulating plate, at a position farther from the frontal portion than the insulating plate. Further, no other prior art was found that provided the missing feature(s) along with the requisite motivation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
